# RIDGE VINEYARDS

## ABOUT RIDGE

In 1962, Ridge Vineyards made its first Monte Bello, and two years later its first zinfandel. Since that time, Ridge has championed single-vineyard winemaking, searching California for those rare and exceptional vineyards where climate, soil, and variety are ideally matched. For more than six decades, Ridge Vineyards has been recognized by top critics and our peers for our consistent quality and steadfast approach to winemaking.
